

CSHCS INFO #14 2014 Community Resource Coordinators List 3-4-14
Thu 3/27/2014

Please find an updated list of local DHS Community Resource Coordinators (CRC) attached. This list was first shared with you as informational email "CSHCS Info #5-2013 (attached)." You are encouraged to contact the local CRC when our clients are having trouble interacting with their local DHS caseworkers. As there is a CRC for each county, I have been told this should be the mail person you'll want to contact. Please contact Courtney Pendleton PendletonC@michigan.gov if you have any questions. Thank you!
